Hi Peter,

The defendant vacated his plea on a 2004 case. I checked and the drugs are still around. Do you still have your analysis notes? The certs don't say "Lab Number." Instead, they say, "Marked." I hope these are the numbers you need:

[REDACTED]

The drugs are from cc# [REDACTED].

If you have the notes, will you please email them to me? If possible, I would like them before the next pre-trial date, which is Tuesday, 4/12/11.

Please let me know if you need more information.

Thank you and have a great weekend!
